*A*lt er bak deg: kjærligheten, frykt, håp
Dine ord, klager, alt det er tapt
Intet hjem, ingen seng av blomster har du mer
Bare vingene har du. Gryet skjult, ingen
vei, retning, himlen altfor stor for deg
Kjære fugl, blindt speidende i meg
ennå, ennå må du slå med vingen

Rabindranath Tagore (1861-1941): Fuglen
